SDR Tool List – Omni Common Suggestions

#	Tool	Purpose	Cost
1	**HubSpot Sales Hub Professional** (1 paid Sales seat)	Sequences, full workflow automation, dashboards for the weekly report	About $90–100 per seat per month, plus a one-time onboarding fee of about $1,500
2	**Apollo** (Basic plan)	Prospecting database, contact search and enrichment, email outreach	$49 per user per month on annual billing, about $59–65 on monthly billing. A Free plan ($0) exists with limited credits.
3	**LinkedIn Sales Navigator Core**	Finding and tracking CEOs and COOs, lead lists, and LinkedIn outreach	$119.99 per month on monthly billing, or $1,079.88 per year (about $89.99 a month) on annual billing
4	**Lusha** (optional)	Extra contact data for emails and phone numbers when Apollo falls short	Free plan with about 40 credits a month. Paid plans start around $50–70 a month on monthly billing.
5	**Dialer**	Cold calls, call logging, voicemail drops	Included with paid Apollo and HubSpot Sales Hub plans. Standalone options include Kixie, Google Voice, or any other dialer. Prices vary by provider and plan.
6	**Claude** (AI assistant)	ICP and company research, industry and company trend guidance, and prospect investigation before outreach	$20 per month (Pro) is enough to start. The $100 per month plan (Max) is faster and gives much higher usage limits.
